MUITO IMPORTANTE

Esta colecção é uma novidade no campo dos cromos,com várias inovações:

1 – Os cromos não são numerados, e trazem somente o nome dos artistas ou dos conjuntos. Assim, o critério da colagem será individual, e depende da vontade do coleccionador, por exemplo:

– ordem alfabética
– tipo de música
– conjuntos
– discos
– etc. etc.

2 – A lista incluída na 1.ª página destina-se a referenciar o pedido dos últimos 15 cromos, para completares o teu álbum. Portanto, basta veres os cromos em falta, e indicares os números respectivos no teu pedido. Só pode ser feito um único pedido por coleccionador, devendo enviar Esc. 10$00, em selos de correio, e não esquecer, além, dos números em falta, o nome e o endereço (em letras maiúsculas).

3 – Esta colecção é composta por cantores, músicos, capas de discos, sendo este o 1.º álbum. Para os seguintes, ficamos à espera das tuas sugestões, sobre a orientação a dar à escolha dos artistas e dos discos, com a indicação de nomes, conjuntos, etc.

4 – Igualmente, podes concorrer ao concurso que se indica no verso da capa. Não custa nada e é apenas preciso estar alerta e acabar a colecção depressa.
